In Dedication to

MRS. SUZANNE PETRIE

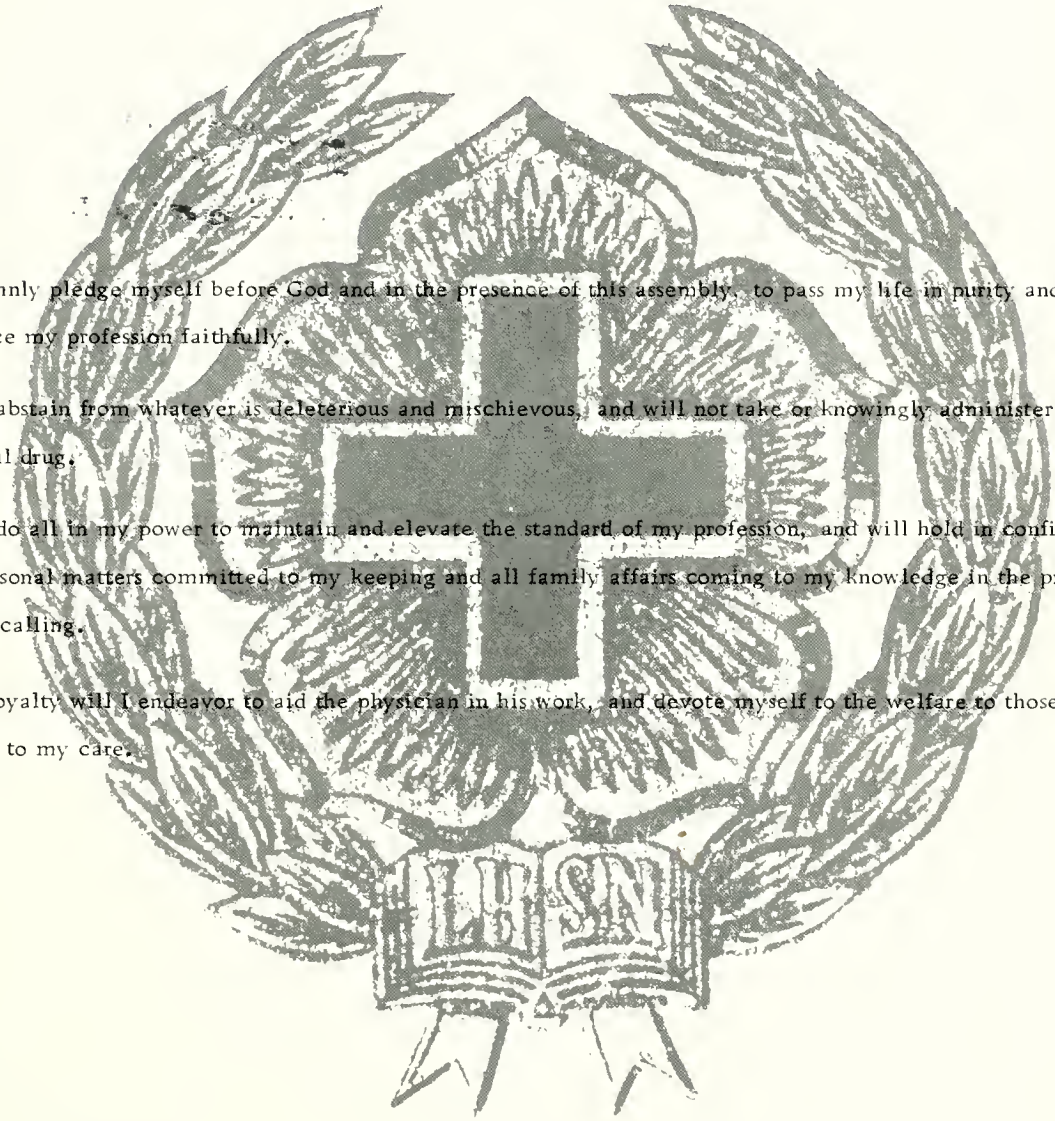

Allen County Public Library
900 Webster Street
PO Box 2270

"How do you thank someone who has taken you from crayons to perfume?" Even as green freshmen, most of our class knew the great advantages of perfume, but which one of us could determine how fast an ounce of the lovely stuff could dissipate in a large room? We did learn, that and a lot of other much more valuable "nursey" stuff in a way that made us even eager to study.

The guidance and instruction our class received from day one until now, from this remarkable lady was always constant and even. Mrs. Petrie was the type of person a girl could look to for a gentle push or a reassuring smile. It is with great thanks that the Class of 1972 dedicates the 1972 APPENDIX to Mrs. Suzanne Petrie one of the SWEETEST teachers we've had the pleasure of knowing these long, and yet short three years.

Thank you from "Your Class"!

The School of Nursing Pin

I solemnly pledge myself before God and in the presence of this assembly, to pass my life in purity and to practice my profession faithfully.

I will abstain from whatever is deleterious and mischievous, and will not take or knowingly administer any harmful drug.

I will do all in my power to maintain and elevate the standard of my profession, and will hold in confidence all personal matters committed to my keeping and all family affairs coming to my knowledge in the practice of my calling.

With loyalty will I endeavor to aid the physician in his work, and devote myself to the welfare to those committed to my care.

ADMINISTRATION FACULTY AND PERSONNEL

No man can reveal to you aught but that which already lies half asleep in the dawning of your knowledge.

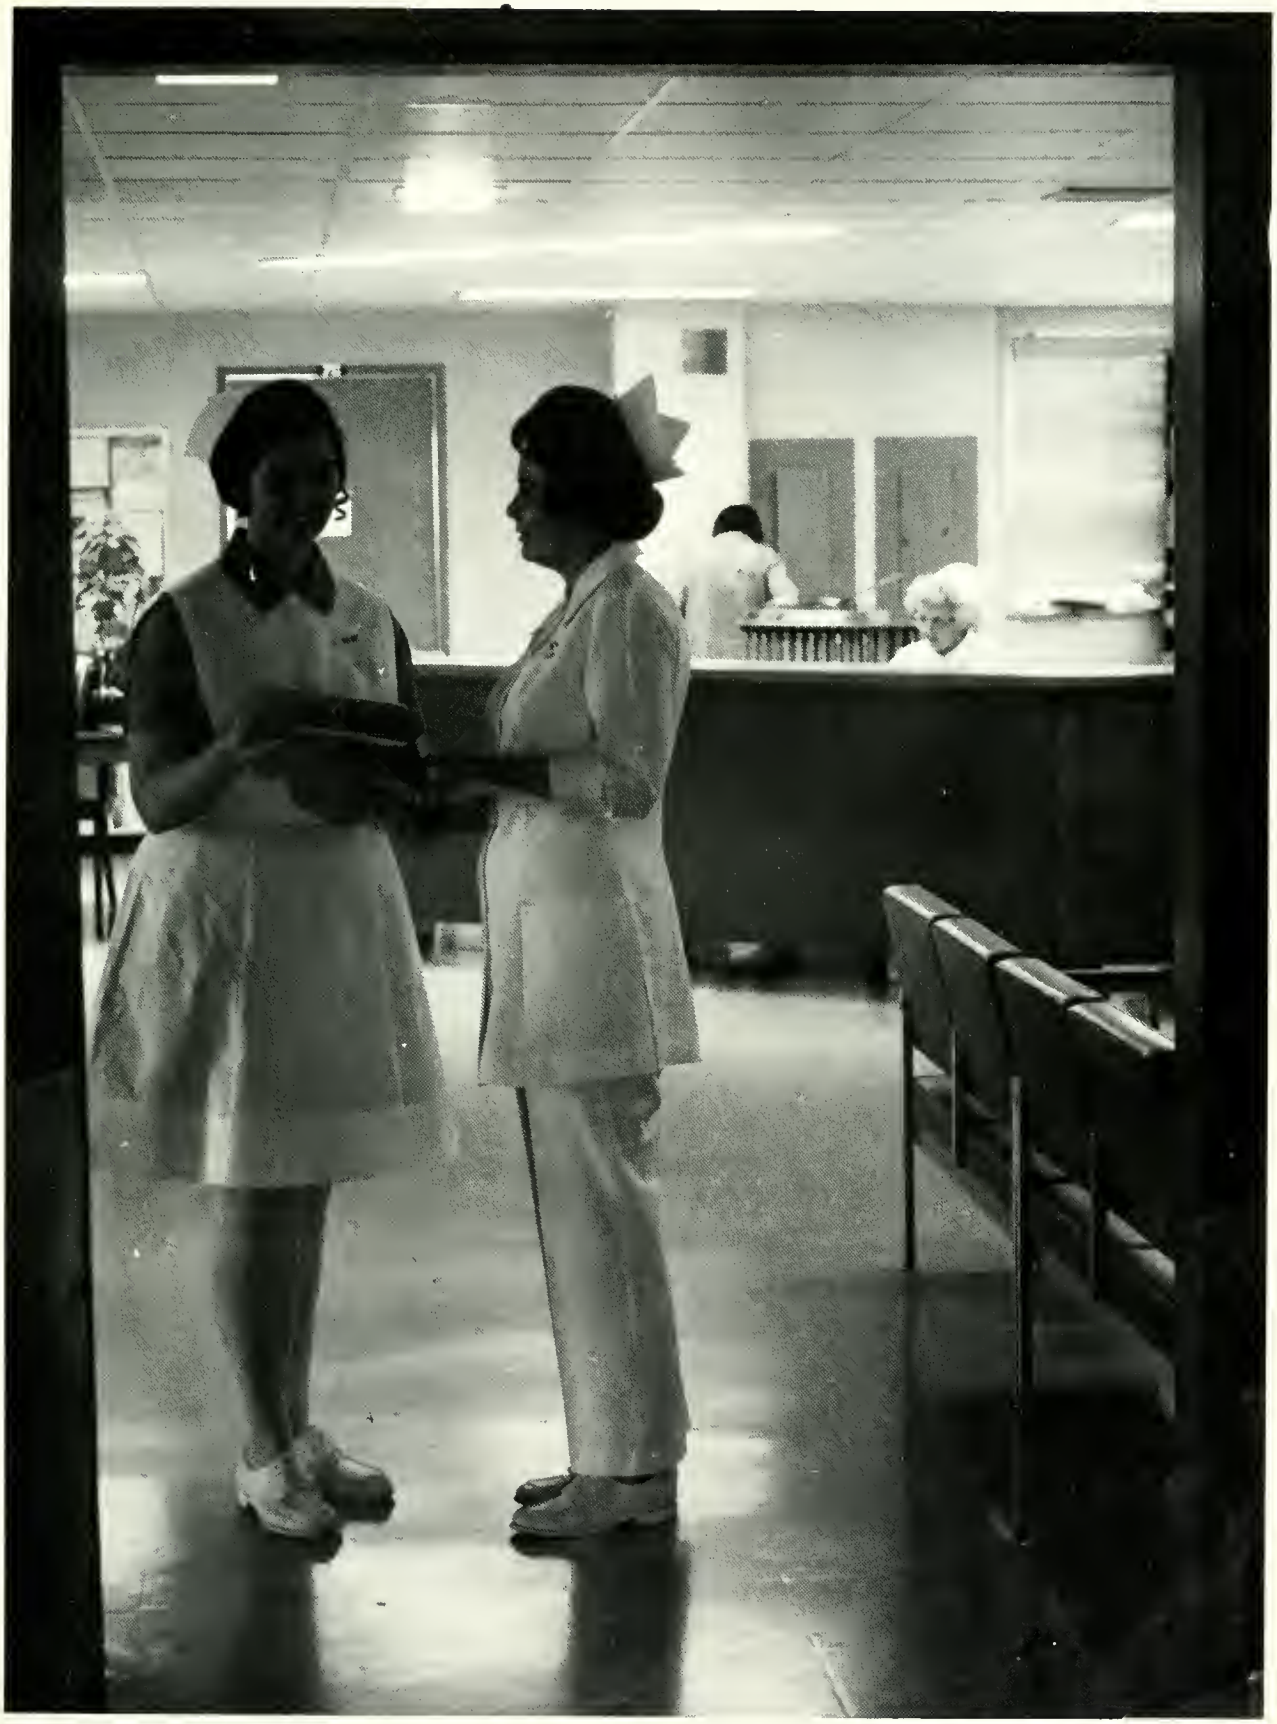

The teacher who walks in the shadow of the temple, among his followers, gives not of his wisdom but rather of his faith and his lovingness.

If he is indeed wise he does not bid you enter the house of his wisdom, but rather leads you to the threshold of your own mind.

For the vision of one man lends not its wings to another man.

And even as each one of you stands alone in God's knowledge, so must each one of you be alone in his knowledge of God and in his understanding of the earth.

STUDENTS

Student nurses are one of the nicest things that can happen to a hospital.

They come in all sizes, shapes, uniforms, and caps. They show up everywhere--in wards, in utility rooms, at chart desks, and in classrooms. Doctors yell at them; head nurses criticize them; interns tolerate them; residents overlook them; mothers worry about them--and patients love them.

A student nurse is courage under a cap, ambition in a crisply starched uniform, energy in person. She's a dedicated heart, a cheerful smile, a comforting voice.

A student nurse likes days off, mealtime, boys, pediatrics, certain doctors, pretty clothes, and yes, her nursing school. She doesn't care much for alarm clocks, getting up for roll call, making beds, or walking long halls.

A student nurse is a wonderful person. No one gets so much pleasure from adjusting a bed or fluffing a pillow. No one else gets such satisfaction from changing a bandage or holding a cool drink to dry lips.

You can criticize her, but you cannot dishearten her. You can hurt her feelings, but you cannot make her quit. Her hours are long; her studies difficult, but she is a hardworking young woman, full of determination. And she looks forward to that wonderful day when she can proudly say--"I'm a nurse!"

Freshman Candids

Elfs were busy at work for LHSN surprises.

"How about this for a very original hang-up?"

Vespers gave us peace, strength, and oneness.

Monday night with popcorn, pop, and TV.

"Hey, how about some quiet and some privacy?"

ACADEMICS

The hidden well-spring of your soul must needs rise and run murmuring to the sea;

And the treasure of your infinite depths would be revealed to your eyes.

But let there be no scales to weigh your unknown treasure;

And seek not the depths of your knowledge with staff or sounding line.

For self is a sea boundless and measureless.

Kahlil Gibran

Senior Clinical

Recreational therapy on the Psychiatric unit.

"Rock-a-bye baby"

Team leading can be fun.

Seniors take NLN's.

Careful observation is necessary in ICU.

Seniors go to nursery school.

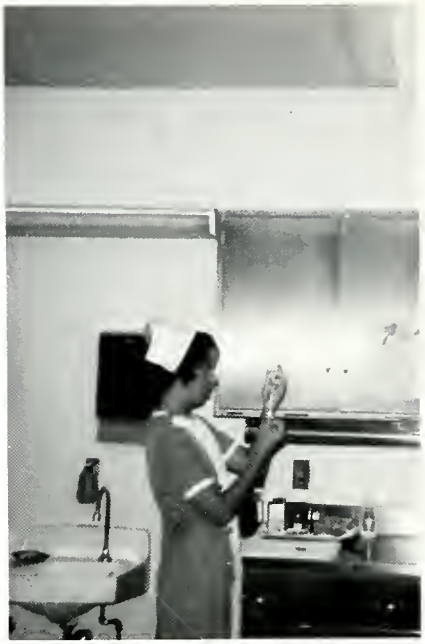

Snoopy likes Peds too.

Junior Clinical

Juniors acquire skill working with traction.

Meds are a big part of the junior year.

Ten minute scrubs--Ouch!

GU-GYN early morning rounds.

This is really patient-centered care.

Exercise is important too.

In Cardiovascular juniors learn to start IV's.

Freshman Academics

Students learn accuracy in their freshman year.

Kathy rushes to her many classes.

Chemistry is basic to nursing.

Positioning is learned in Fundamentals.

Capping is the first milestone.

Learning to make patients comfortable.

ORGANIZATIONS

AND

ACTIVITIES

The real purpose of our existence is not to make a living, but to make a life--a worthy, well-rounded, useful life.

Do all the good you can
By all the means you can
In all the ways you can
In all the places you can
At all the times you can
To all the people you can
As long as ever you can.

—Apples of Gold

Graduation

Sunday June 4, 1972
Holy Cross
Lutheran Church

DORM LIFE

Your friend is your needs answered.
He is your field which you sow with love and reap with thanksgiving.
And he is your board and your fireside.
For you come to him with your hunger and you seek him for peace . . .

And let your best be for your friend.
If he must know the ebb of your tide, let him know its flood also.
For what is your friend that you should seek him with hours to kill?
Seek him always with hours to live.
For it is his to fill your need, but not your emptiness.
And in the sweetness of friendship let there be laughter, and sharing of pleasures.
For in the dew of little things the heart finds its morning and is refreshed.

Dorm Life

We've only just begun . . .

Typical junior enthusiasm.

Sue in her first white "civies".

"Oh she looked so fair in the midnight air . . . "

"Now I know what a Durkheim is!"

If you're flunking out of training and you don't know what to do . . .

"OK, Barbie . . . it's your turn."

That's not how the galloping gourmet does it!

You sure that's the right note, Carol?

"Is that a hair I see on your chest?"

"Take it away . . . Sharon"

The bigger you are, the more you get. (gifts)

"What would you like for Christmas, little girl?"

Hang onto her, Lydia--it's a rabid junior.

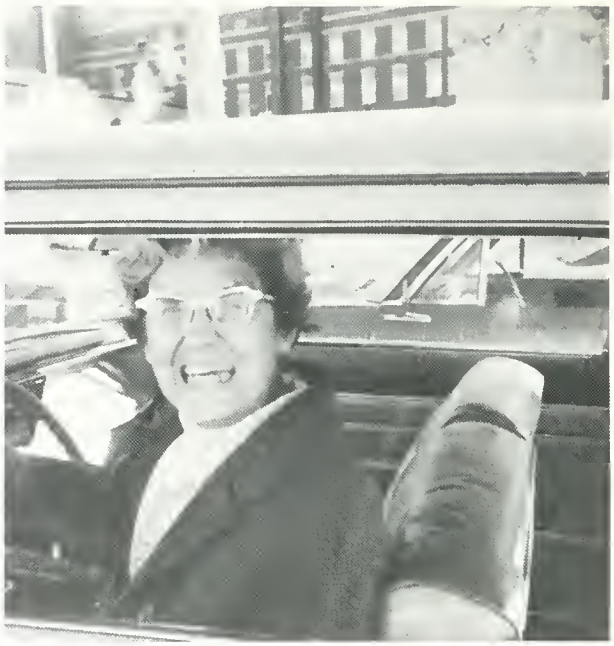

Another student body picnic at the park.

"And that's the trufth . . ."

"OK, who stole my mattress?"

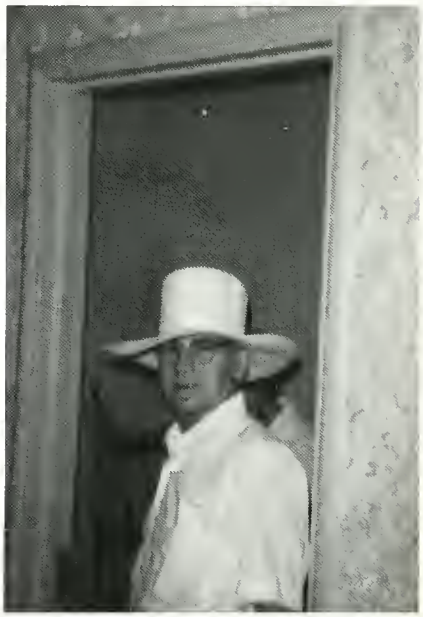

Always there. Always smiling.

"You mean you gained 10 pounds!"

"Charlie Chan"--90 and going strong.

Slusser's hat never looked better.

"Well, yes, I know a dollar's too much."

"Cut it out Rick, they're watching."

Another LIVELY dinner dance?

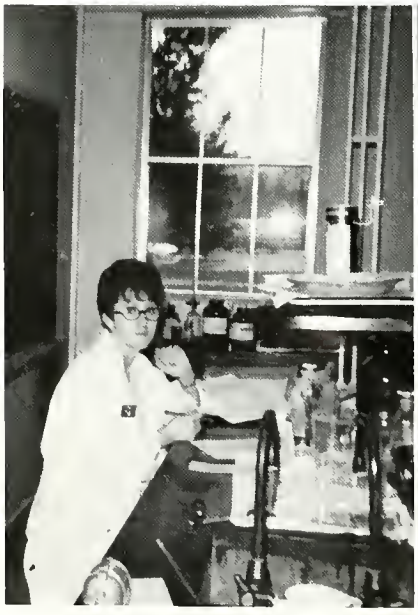

The freshmen's first vespers.

To everything there is a season,
And a time to every purpose under the heaven:

A time to be born, and a time to die;
A time to plant, and a time to pluck up that which is planted;
A time to kill, and a time to heal;
A time to break down, and a time to build up;

A time to weep, and a time to laugh;
A time to mourn, and a time to dance;
A time to cast away stones, and a time to gather stones together;
A time to embrace, and a time to refrain from embracing;

A time to get, and a time to lose;
A time to keep, and a time to cast away;
A time to rend, and a time to sew;
A time to keep silence, and a time to speak;

A time to love, and a time to hate;
A time of war, and a time of peace.

__Ecclesiastes 3:1-8
